MILL CREEK MEADOWS

Discover the beauty and tranquility of Mill Creek Meadows located just minutes from historic downtown Brenham. An elevated building site provides an ideal setting for your new dream home overlooking the property as the land gently rolls down through scattered trees to beautiful tree-lined hay meadows. A small pond adds to the peaceful country setting while cross fencing makes the property well suited for cattle and horses. Adding even more character, Mill Creek forms a natural boundary along the property creating a wooded wildlife corridor and enhancing recreational appeal. Deer and other native wildlife are frequently drawn to the combination of creek bottom, woods and open meadows.
